# INCREDIBLE NEWS!

## We're thrilled to share amazing news on behalf of Stateline Youth For Christ!

Through remarkable provision from God, we're in the process of renovating and launching a Youth For Christ facility on Charles Street near East High School, Lincoln Middle School, and nearby neighborhoods.

This development is deeply significant for hundreds of youth, offering a safe space to gather, find belonging, enjoy recreational activities, fellowship over meals, and most importantly hear the good news of Jesus Christ.

God has done "far more abundantly than all that we ask or think" (Eph. 3:20) in providing this space.

PRELIMINARY PHASE 1 RENDERING

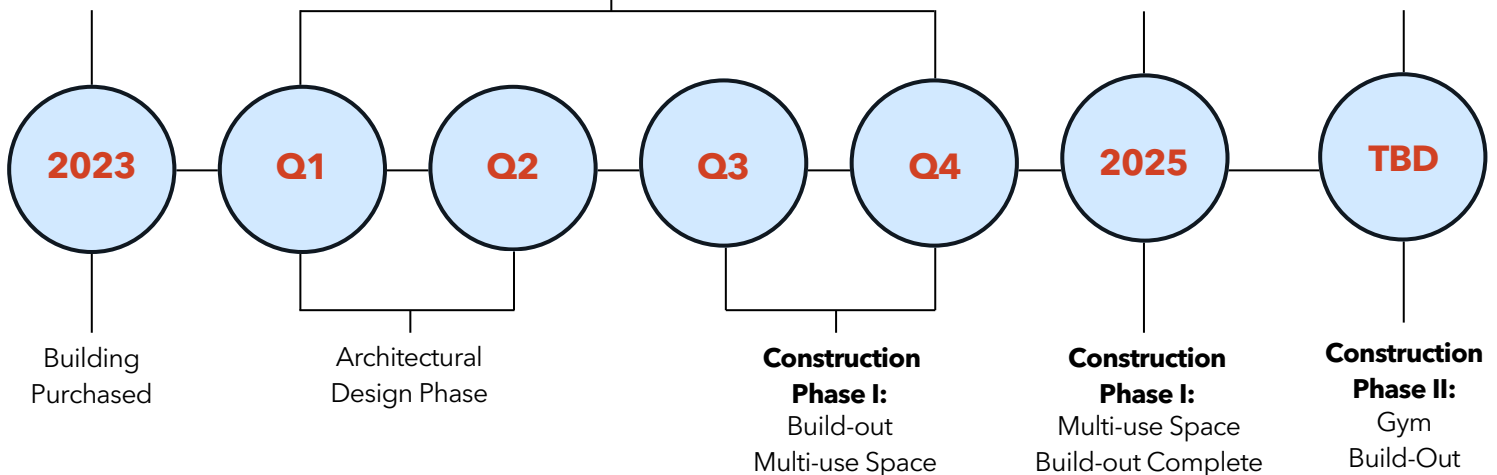

PRELIMINARY PHASE 1 RENDERING

## Project Timeline

2024

## What Can You Do?

### VOLUNTEER

We need scores of new volunteers to support our mission and to love on the kids who will enter the facility.

### GIVE

We need an increased financial investment to operate a top-notch youth center.

### PRAY

We need prayer warriors to dedicate time and space to lift up YFC in prayer over all that we believe in faith that God is up to.

## Will you consider a generous financial contribution?

“Each one must give as he has decided in his heart, not reluctantly or under compulsion, for God loves a cheerful giver” (2 Corinthians 9:7).

We're beyond grateful to share that the building renovation is fully funded! All gifts given towards this vision will be used to fund operations.

### We ask for you to consider giving generously in a couple of ways:

1. Commit to a 5-year pledge towards operations at the new facility. Our goal is to increase our operating budget by \$500,000/year (from \$1 million to \$1.5 million).
2. Donate to our active \$100,000 matching gift that supports our current ministry efforts.

See the pledge card to designate giving as desired. Thank you for investing in what God is doing!

## Heart of the Vision

As we communicate this news, we also want to magnify the heart of the vision. Our deep desire is to see a “movement” of God, with many youth finding hope in Jesus and in turn sharing the good news of Him with their family and peers.

This new facility is a remarkable gift, with great potential to reach a high volume of youth with power and efficiency. Through prayer and faithful stewardship, we see tremendous opportunity for a powerful move of God to take place in the heart of our community.

Pray for our youth, our team, and our community, and join us in supporting this effort.

All for His glory,

Haddon Anderson, Executive Director
